Deputy Commissioners Office

Dated Mysore 2d May 1905

To
B. L. Sreekantaradhyar Esqr
Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

Adverting to para 7 of the Govt Proceedings no. 7C 644-9 dated the 18th September 1903, calling for a report on the revenue and financial aspect of the estate of Messrs Nanjaraj Urs and his brother Devaraj Urs, I have the honor to state as follows:-

2. Loans were granted to the family of the late Mr Nanjaraj Urs by Government on several previous occasions on the security of certain Inam villages in the Mysore and Chamarajanagar Talukas. The last loan amounting to Rs 53,953-3-3, in all was sanctioned in the marginally noted Government Proceedings. At the time of the execution of a fresh bond, there was a balance of Rs 29,758-3-11 outstanding

(1) G.O. No. 7C 644-9 & 18th September 1903
(2) G.O. No. 7C 1836-8 & 22.1.1904.

against them from the loans granted previously. A fresh bond was therefore obtained from them for a total sum of Rs 83,711-7-2 in the month of February 1904 on the security of the Anam villages formerly mortgaged to Government plus a house owned by Mr Nanjaraj Urs in the Mysore Fort. But the full amount of the loan sanctioned by Government was not drawn during the year 1903-04.

3. In the Comptroller's revised statement, a copy of which was received with your docket No. FC 6353-8 FC 143-04-6 dated 28th March 1905 the actual amount drawn from the Treasury upto end of June 1904 out of the last loan sanctioned is stated to be Rs 48,721-9-10. To this should be added the arrears of previous loans. This was fixed at Rs 29,758-3-11 in consultation with the Comptroller at the time of executing the bond. But in the revised statement the Comptroller has

shown

11

there the balance as Rs 29,719-2-3 which is less by Rs 39-1-8 than the sum already fixed. What this decrease is due to, cannot be accounted for in this office. Further a sum of Rs 8070-13-4 previously credited in liquidation of the loan, but subsequently ordered by Government to be transferred to the Murrai funds on account of the repairs to be executed to the Chattram at Kadakola has to be added on to the loan. Thus the total amount of loan for which the family of the late Mr Manjaray Hegde was liable at the end of June 1904 is Rs 86,571-9-5 as per data furnished by the Comptroller in his revised Statement.

4. From the accounts of the District Treasury and the balance statement received from the Comptroller it may be seen that during the year in question viz 1903-04 no recoveries are shown towards the discharge of the loan. The Amildars of

Nyporе and Chamarajanagar Talukas are directed to report as to why no amount is recovered from the Inam villages.

Sir,

In continuation to your
letter No 7C 7922-91, 21 143-06-7
dated the 20th May 1905, calling for
the early submission of a report
as to why no amount has
been credited towards the amount
of the Revenues of the Inam
villages of Agrahara Nanjanapura
and Devanajpura during the year
1903-04, I have the honor to
state as follows:-

2. From the statements herewith
submitted, it may be seen
that a total sum of Rs 9194-
7-4 was collected out of the
Inam villages situated in
the Mysore and Chamarajnagar

talukdars during the year, and the
after deducting Rs 1808-3-10 on
account of Establishment and
other charges, a balance of Rs 738
3-6 was available for credit
towards the loan.

3. The correct procedure would
would have been followed by the
taluk Amildars with regard to
credit of these amounts as
to have placed in the first
instance the whole of the
realizations of these in Cages
under the head "Private Estat
under Government management
as per Collector's instruction
and, after the close of the offici
year, to have transferred the
balance to the loan accoun
after deducting the Establishm
and other charges. But both t
Amildars did not do this. The
Amildar of Thasra managa
has credited Rs 5980-15-0 (inclu

of a portion of the proceeds
year's balance) to the loan account,
and has kept the balance under
deposit. The Auditor of the
Mysore Public while keeping
the whole account under the
head "Private estates under
Government management" has
not yet adjusted the amounts
to places towards the loan.

4. Necessary orders have
been issued to transfer these
amounts to the Loans account

I have the honor to be,
Sir,
Your most obedient servant.

Government Proceedings No.Fl.644-9, dated the 1st September 1903, sanctioning the grant of a loan of Rs.50000 to Messrs. Nanjaraj Urs and Devaraj Urs to enable them to discharge their debts and requesting the Comptroller to keep a separate account of this loan and submit an annual report of the transactions relating to it on the 1st of September every year.

2. Letter No.2099/S.A.344, dated the 30th September 1904, from the Comptroller submitting a statement of account of the loan granted to Messrs. Nanjaraj Urs and Deva-raj Urs and reporting that the total amount outstanding against them is Rs.77,440-12-1, Rs.29,719-2-3 being the balance due out of the advances made prior to the issue of the order read above and Rs.47,721-9-10 being the amount drawn out of Rs.50,000 sanctioned in the said order and that nothing has been paid towards the fixed annual instal-ment of Rs.5,000/- except a small sum of Rs.26-3-6 which has been taken in part adjustment of the interest due.

3. Letter No.5099/792, dated the 14th March 1905, from the same officer submitting in continuation of the above a revised statement of the account of the loan and stating that a sum of Rs.8,070-13-4, credited in the pre-vious years towards the loan, having been transferred to the credit of "Surplus Funds,Devasthanams and Chattrams" on account of the Chattram and Kadakola as directed in Govern-ment Proceedings No.Fl.2092-4 dated the 12th February 1904 the balance of the loan outstanding was raised by that a-mount.

4. Correspondence ending with letter No.360, dated the 23rd September 1905, from the Deputy Commissioner of the Mysore District stating that Rs.9,194-7-4 were collected out of the Inam Villages situated in the Mysore and Chama-raj Nagar Taluks during the year 1903-04; that after

deducting Rs.1,808-3-10 on account of Establishment and other charges a balance of Rs.7,386-3-6 was available for being credited towards the loan, but that the Amildars of the two Taluks mentioned failed to credit the amount to--wards the loan.

Order thereon No. F.63175-6 / Fl Fi 143-04-15 Dated Bangalore, 17 November 19

From the above it is seen that the balance out-standing against Messrs. Nanjaraj Urs and Devaraj Urs on the 30th June 1904 was Rs.86,511-9-5. The Comptroller's statement shews that beyond a small amount of Rs.26-3-6 which was credited during the year towards interest noth was credited towards principal. The Deputy Commissioner ports that the net amount realised from the revenue of t Inam villages mortgaged to Government for the year 1903- and on account of arrears of the past years is Rs.7,386- which has been credited to Private Estates under Governm management but which will be adjusted by credit to the l The payment of an annual allowance of Rs.650 to the Chat at Kadakola out of the receipts of the Inam villages und Government management as directed in Government Proceedi No.Fl.2092-4 dated the 12th February 1904 does not appea to have been taken into account in estimating the balanc This reduces the net amount available for credit to the account to Rs.6,736-3-6.

From the Deputy Commissioner's report it appea that there has been some confusion in the matter of cred -ing these amounts to the proper head. The instructions issued by the Comptroller in his docket No.1332/Loan.291 dated the 4th September 1905 should be duly observed.
